Our December meeting was very busy as we prepared for all the great events for the month: The Lighted Boat Parade on Sunday, December 21, the luminarias for Christmas Eve, and the New Year's Eve fireworks and music show. Neil Norden has once again coordinated a significant effort with the Boy Scouts to provide help to our Community with bagging the luminaria kits and setting them up and removing them from the islands. Thanks much to Neil and the Boy Scouts! We truly appreciate our partnership with the Scouts. Neil is also coordinating pizzas for the pizza party at White Sands Beach to kick off the boat

parade, thanks again Neil! Jackie Lais, our newest board member, is officiating for the New Year's Eve fireworks and music celebration. We appreciate Jackie's work on this and know it was a great event, by the time you read this. We also held our Board election and will confirm that the following Board members were elected for three year terms; Bryan Yarborough, Jim Blanco, Brian Hughes, Neil Norden and Kendra York. Thanks so much to these great Board members for their ongoing contributions to our Board and the Original Carrollwood neighborhood. We also are appreciative of the fine relationship we have with the CRD board; together we are working well for our Community. Have an excellent New Year!

*Have an
excellent
New Year!*

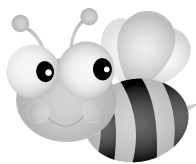

by Mike "Mickey" Jaap, CRD President

The December meeting of the CRD Board was relatively routine, with no major issues arising. We set the meeting schedule for 2015 (same as always, the second Monday of every month), and scheduled our annual organizational meeting. As you know, our "claim to fame" is maintenance and operations. Some repairs were made:

1. The Rec Center had a leaky roof which has now been repaired;
2. The sign at Scotty Cooper Park was repaired (the posts were replaced;)
3. Restroom repairs at the Rec Center;
4. Sink repair at Scotty Cooper Park;
5. Trees trimmed at the Rec Center;
6. General plumbing repairs at White Sands Beach, and a few other maintenance items.

Also worth mentioning is the large beehive that had to be exterminated at Sabal Road and McFarland. Grounds Trustee, Bill Lais, was onsite the same day he was notified. Thanks to the CCA for sending out an email alert to avoid the sidewalk in that area.

If all of this sounds boring to you as a reader, this is pretty much business as usual at most CRD meetings. We leave the fun stuff to the CCA.

At the same time the CCA has luminaria sand delivered to the White Sands Beach, we are adding to the sand order to put a new layer on the swim side and boating area. The new sand should make for a more pleasant experience at the CCA fireworks show scheduled for New Year's Eve, as well as the 2015 swimming and boating season.

You might have noticed the Rec Center being used most weekends leading up to the holidays. This kept our maintenance and office staff pretty busy, but well worth it to see our amenities utilized by residents.

I hope you all enjoyed the holidays, and wish everyone a happy and prosperous new year.

New Year!*

Mickey's thoughts: "I have been doing this for about 15 years. The first time I did it, I used about 1,200 lights for the entire display. But the trees are a little bit bigger every year, so it takes more lights each time. I now need about 2,700 lights for the entire display. The best part about it is not just seeing them, but spending time under the lights around a fire pit with friends and neighbors. When I am out front every fall hanging the lights, I hear a lot of wives as they walk by telling their husbands they should do something similar. I have one piece of advice to anyone who tries to decorate their trees, it is truly a labor you must love, because it is a big job. I really enjoy getting out in the yard for a day or two in the beautiful fall weather, hanging lights in my trees."

Home Solicitation Sales - Who's Knocking On Your Door?

by Mark Tempest

I want to thank Hillsborough County Commissioner Victor Crist and his staff for sending us the following information. If you have ever wondered the rules and proper identification required as it relates to door-to-door Home Solicitation Sales please read on. This article also provides an example of what the proper "permit" should look like. I recommend that you cut this out of the Caroler for reference the next time someone comes knocking on your door.

Home solicitations in Hillsborough County account for a large number of consumer complaints each year. A home solicitation is any sale, lease or rental of a consumer good or service with a purchase price that exceeds \$25, including all interest, service charges, finance charges, postage, freight, insurance, and handling charges, and the sale is consummated in a place other than at the seller's fixed establishment or business location.

If a home solicitor knocks on the door and cannot show a County-issued permit, ask them to leave or call your local law enforcement agency.

What Consumers Should Know About Home Solicitations

- It is unlawful for any person to conduct a home solicitation sale in the state of Florida without a valid home solicitation sale permit issued by the Clerk of the Circuit Court.

- Home solicitors are required to carry and display their permit and certificate.

- This permit is very important because it requires the salesman to file a sworn application providing all of their personal information, a photograph, and a complete set of fingerprints.

- The Clerk forwards this information to the Sheriff and Florida Department of Law Enforcement for criminal background checks.

- Consumers should "verify before they buy." Ask the solicitor to see the permit.

- Consumers can verify the home solicitor has a permit by contacting the Clerk of the Circuit Court.

- In Hillsborough County, consumers can call the Clerk's recording office at 813-276-8100 Ext. 4157.

- All home solicitation sales must have a written sales agreement and 3-day cancellation provision.

- This sales agreement must contain the date of the transaction, the buyer's signature, and the BUYERS RIGHT TO CANCEL.

Any home solicitor who violates the terms and conditions of Florida's home solicitation law can face criminal charges punishable as a first degree misdemeanor, with a second conviction resulting in a third degree felony.

Thanks again to Hillsborough County Commissioner Victor Crist for providing this helpful information.

WHY SUITCASES?

Hillsborough County's foster children, through no fault of their own, are removed from their homes with as little as a black garbage bag in which to carry the few possessions they are allowed to bring along. And, as you probably know, foster homes are known to be temporary so moving from place to place can happen often...all with just a black garbage bag to make the move. Working with the Jack and Ruth Eckerd Foundation's Raising Hope program

(eckerdraisinghope.org) , Grace Lutheran is collecting new and gently used suitcases and duffel bags to afford these children with some sense of dignity and self-worth that cannot be given with a trash bag.

How can you help? Through January, Grace will be collecting new & used suitcases/duffel bags/carry on sizes for smaller children/ wheeled luggage is even better! You can ask Santa for new luggage for Christmas and gift your old bags to children in need of even the smallest glimmer of hope in the midst of a frightening situation not of their own making.

Grace Lutheran is right around the corner from your house! The entrance is right behind Regions Bank on Linebaugh. Feel free to drop them off any time and please join us soon at one of our worship services or events. We're on the web at www.gracetampa.org or you can call the office at 813.961.8747 for more information.

Grace is a place of faith, hope and healing for all.
