Your CCA Board had a productive February meeting. Treasurer Jared Jones updated us on recent expenses and emphasized a healthy financial position coming out of the holiday season. Vice President Josh Shaffer discussed our long-term

planning, including updates on recent TECO activities to alleviate power outages in our area. Board members Kristin Nail and Adrienne Eninger highlighted recent updates to our plans for Newcomers and our Yard of the Month recognition - be on the lookout for our updated "Neighbor Spotlight" section in the Caroler. Jerrod Mills discussed our upcoming social events and we hope everyone enjoyed our movie night featuring Top Gun: Maverick! Our Easter festivities will be right around the corner, please don't hesitate to reach out for volunteer opportunities for this great event.

The highlight of our meeting was the attendance of Troop Leader BJ Morris and members of the Boy Scout troops who helped our neighborhood put on a great luminaria display. The board was honored to make a contribution to help our local scouts this year and we extended a great "thank you" for all of their hard work.

# CRD News

By Mark Snellgrove, CRD President

**B**oard member Jack Griffie just completed a major improvement to the entrance gate at Scotty Cooper Park, the columns were raised higher.

Board Member Chrissie Price will soon be redesigning all the park signage uniformly due to some requiring repairs or replacement.

Board member Dan Seeley has been working closely with TECO to trim trees throughout the community before the next hurricane season. In addition, the room rental rates for the Recreation Center were discussed at the

February meeting. The rates have been the same since the new building opened in 2007, and while the Board has-not adjusted the rates to keep up with the pace of inflation, there are no current plans to do so. In comparison to the Carrollwood Cultural Center, our rates are much lower. Treasurer Mark Georgiades is projecting that we should earn \$24,000 in room rental income for the fiscal year. The Board is comfortable with this for now, as most weekends you will notice that the Recreation Center has a scheduled event.

In closing, we do appreciate the residents that attend our meetings and participate. It's common to have 5-10 residents each meeting. We had 7-attendees at the February meeting.

# Yard OF THE Month

**Kenny & Karen Loeffler**  
**11615 CARROLLWOOD DRIVE**

**Q** When did you move to Original Carrollwood and what have you enjoyed most about living here?

We moved in November of 2018. We enjoy being part of this beautiful neighborhood and the proximity to the lake is a definite bonus.

**Q** What do you love most about your home and yard? Why? We love that we had a great base to start with and we were able to add our personal touches adding a little tropical feel. It's great that we have a variety of outdoor areas to enjoy.

**Q** When thinking of all the time you have spent in your yard, do you have a favorite memory? One of our favorite memories is our first New Year's Eve. Having such a beautiful fireworks display and enjoying it from our front yard was amazing and continues to be.

**Q** Any fun facts, hobbies or words of wisdom you would like to share with your neighbors? Don't seek happiness, create it! 

Email your nomination to: [YardoftheMonth@OriginalCarrollwood.com](mailto:YardoftheMonth@OriginalCarrollwood.com)

**Include:** • Address of nominated yard • Reason for nomination • Your name, phone number, & email address • If possible, please include a photo of the yard with your nomination. Thank you!

Nominations can also be made at the Community Center, at Board Meetings or by visiting the community website:

## The Marshall Family

**How long have you lived in Original Carrollwood?** We bought our home in July of 2019 and moved in about 5 months later after a complete renovation.

**What brought you to the neighborhood?** After trying several other Tampa neighborhoods, we were still searching for that small community vibe and sense of family that we both experienced growing up. We looked at several houses in OC and we knew this was the spot.

**Where will we see you around?** Most days, you can find us walking the Orange Grove Drive/ Nakora circuit with our daughter and dogs in tow. You'll also find us at Scotty Cooper Park sliding and swinging or at the beach enjoying the lake.

## OC REAL ESTATE

### WHY TAMPA IS THE ONE OF THE MOST COVETED METROPOLITAN CITIES

By KT Tershowski/REALTOR®

Just last year, Tampa Bay was named the #1 best place to live in Florida (Forbes), the #1 best large metropolitan airports in the U.S. (J.D. Power), and #2 best relocation destinations in North America. Tampa Bay truly has it all and clearly in high demand with everything to offer, including world-class attractions and waterfront living to professional sports teams and upper education. Tampa Bay has continued to be a hot market with its quality of life that is unbeatable. It's no wonder Tampa Bay is one of the most sought-after livable metropolitan cities in North America.

To keep up with the population growth, our infrastructure has continued to grow at an exponential pace. A few developmental projects to watch for across Tampa to St. Petersburg to Clearwater are:

**Tampa's Riverfront:** The expansion continues with an addition of 3.5 more miles to the riverwalk on the west side consisting of 32,760 square feet of retail space, 1,079 housing units, 10 additional boat slips parking and an \$8M helicopter stop. This will consist of high rises, art institutions, including 31-floor luxury living apartments overlooking the river off Ashley Drive. The convention center is undertaking a \$38M expansion (largest renovation in Tampa's center history), which will include 18 new waterfront meeting/event facilities with an additional 18,000 square feet. The Straz Center will take on \$100M in expansions and renovations adding four-story 50,000 square feet waterfront space. ~Completion time is 2026.

**Tropicana Field:** Although this may

take decades to complete, this mixed-use multi-phase project has been approved. This development's criteria must include (per city requirements), a pristine hotel including a conference center, a park and recreation area centralized with a focus on Pinellas Trail and Booker Creek, a mixed-income affordable housing, transit hub, research and technology presence, cultural amenities and a space for the Rays baseball stadium. The Rays stadium proposes to seat 30,000 with an overhead roof serving to be centrally located and close proximity to retail and other events. The estimated project completion time is 2028.

**Tampa Union Station:** Tampa is looking to embark on a \$2M project. The Community Redevelopment Agency has accelerated this project to make this renovation and improvement possible. Future planned development is to ensure overseeing the Amtrack station with redevelopment and growth. There will also be a first-floor coffee shop, coworking space and business retail area.

**Gas Worx and Ybor Harbor:** A reconstruction between Ybor City and Channel Side District with a goal to offer more walkability and mixed use. Darryl Shaw, real estate investor, has a goal of revamping the older industrial and vacant properties allowing approximately 5,000 housing residences, 70,000 square foot 1950s-era warehouse converting to mixed-use (including a dining hall, similar Amature Works), retail space comprising of 140,000 square feet, and ~\$500,000 of office space.

**Zoo Tampa and The Florida Aquarium:** This \$40M expansion project adds exhibit and habitat room for African penguins, California sea lions and puffins. There will be a second-floor ballroom area adding a 3,700 square

foot exhibit travel space. Next year, there will be a two-story indoor space that will be used for black and white seabirds, Atlantic salmon, puffins and other fish.

**ARK Innovation Center:** Developing in the union district with a grand opening scheduled for July 2023. This will encompass an innovation lab, event center, rentable workspace with classrooms and conference rooms impacting science, tech, and fintech industries.

1. The New York Life Secure Term MVA Fixed Annuity is a single premium fixed deferred annuity with a number of interest rate guarantee periods to choose from. Available in jurisdictions where approved and subject to eligibility requirements. Guarantees based on the claim-paying ability of the issuer.

2. Depending on the period chosen, withdrawals during the first 3, 4, 5, 6, 7, 8 years of the policy may be subject to surrender charges and a Market Value Adjustment (MVA). Rates are subject to change at any time. The interest rate is an effective annual yield based on a nominal rate that is compounded daily. Yields assume no additions or withdrawals made during the guarantee period. After the initial guaranteed interest rate period, the policy will receive a renewal rate that is guaranteed for one year. The crediting rate will not be less than the guaranteed minimum interest rate (GMIR) stated in your policy. Please call your representative for current interest rates on premium amounts of \$1.5 million or more. Policies with premium amounts of \$1 million or more require prior NYLIC approval.

3. The "highest ratings currently awarded" refers to the highest ratings currently awarded to any U.S. life insurer, specifically: Standard & Poor's (A++); A.M. Best (A++); Moody's (Aaa); and Fitch (AAA). Source: Individual Third-Party Ratings Reports as of 09/30/21.

The policy form number for the New York Life Secure Term MVA Fixed Annuity is ICC10-P111 in most jurisdictions, in some states, it may be 210-P111, and state variations may apply.

The New York Life Secure Term MVA Fixed Annuity is issued by New York Life Insurance and Annuity Corporation (a Delaware Corporation), a wholly owned subsidiary of New York Life Insurance Company, 51 Madison Avenue, New York, NY 10010.

# Carrollwood Elementary News

Carrollwood is busy this winter! In December, the chorus under the direction of Mr. Brown performed their annual holiday concert at Chamberlain High School. The chorus, handbells, and percussion celebrated with sounds of the season. Students enjoyed shopping at the holiday shop where they could purchase gifts for friends and family members.

Student KUDOS!

Carrollwood ES Black History Bowl Team came in 2nd place in the preliminary competition and will go on to compete again in late February! Congratulations to Cole Serynek, Liam Jones, Haley Singer, Caleb Rielo, and Savannah Boger and their coaches, Ms. Emmons and Mrs. Bosko.

Congratulations to two of our Owls who won at the district level for the PTA Reflections Fine Arts contest and will go on to compete at the state level. Aston Miller will be competing in the Film Production category for his work "Cheetahs, be My Voice" and David Henry will be competing in the Music Composition category for his work titled "6th Century."

Owen Pullaro was chosen to display his artwork at the Tampa Museum of Art.

The following students were selected for All State Orchestra: Gabe Malone, Jaslyn Cantero, Molly Maranzana, and Ashley Sinn.

The following students were selected for All State Chorus: Lily Dougherty, Giana Gerena, Primo Mennie, Alden Pace.

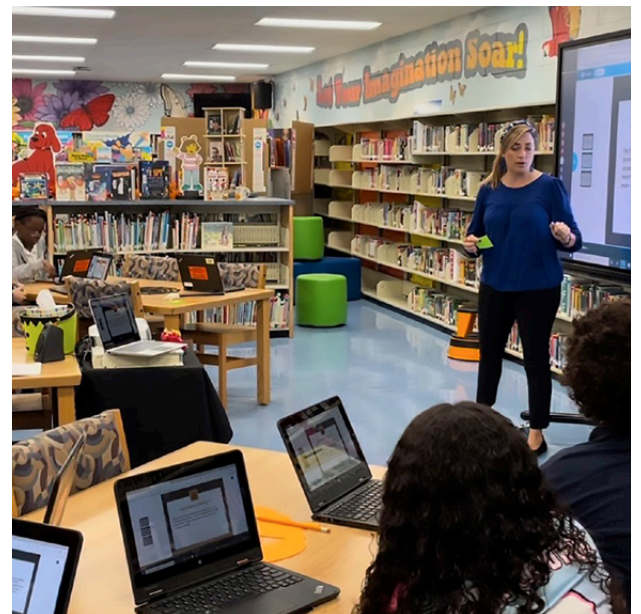

Fifth, 2nd, and 1st grade enjoyed field trips to the Tampa Zoo, BizTown, and Dinosaur World.

Literacy Week was fun as students celebrated a love for reading with a pirate them.

Bingo Night was a huge success! Families enjoyed popcorn, pizza, and bingo using the Newline Interactive Boards the PTA is fundraising for this year.

Carrollwood PTA is hosting a spring gala, casino night, and silent auction April 15th. All proceeds will go toward the purchase of Newline Interactive Boards for each classroom.

Carrollwood K8 Committee has been hard at work speaking at Board meetings, meeting with school board members, and representing Carrollwood ES. Exciting news coming soon!

# Boating Safety, Driving Tips and Etiquette

by Bryan Huls, CCA Lake Carroll Committee

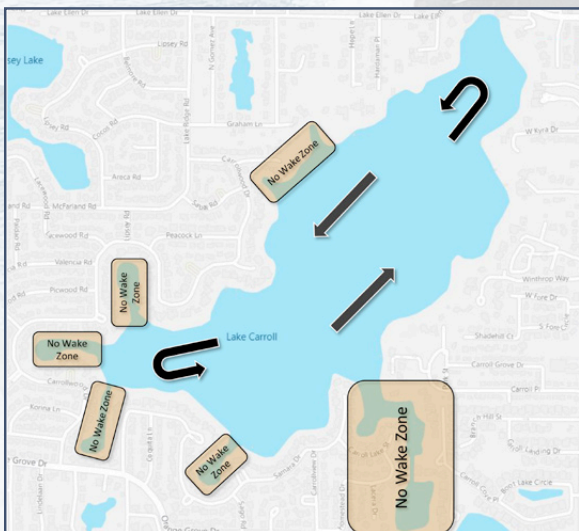

**As our lake has gotten busier over the last few years, it is time to renew our focus on boating safety and etiquette on Lake Carroll. Follow these basic safety tips and enjoy Lake Carroll with family and friends.**

## BOATING SAFETY:

- For more information and boat safety courses visit: [myfwc.com/boating/safety-education](http://myfwc.com/boating/safety-education)
- In order to operate a motorboat of ten (10) horsepower or greater, Florida law requires anyone who was born on or after Jan. 1, 1988, to successfully complete an approved boating safety course and obtain a Boating Safety Education Identification Card issued by the FWC.
- Use and maintain the right safety equipment.
- Have a U.S. Coast Guard-approved life jacket for each person on board and one approved throwable device for any boat 16 feet and longer.

## LAKE CARROLL: BOATING & PERSONAL WATERCRAFTS (PWC, JET SKI, SEA-DOO)

- White Sand Beach area and the canals are considered a "NO WAKE ZONE." For safety of other boats and swimmers, enter and exit at a slow, safe speed.
- Life jackets must be worn by all personal watercraft riders and skiers.
- Always boat on Lake Carroll in a counterclockwise direction.
- Check the boat traffic on the lake. If there are too

many boats pulling skiers/tubes, then wait until a few skiers are done with their runs.

The fewer boats operating with skiers on the lake, the safer it will be. Mornings and evenings are typically times with fewer boats on the water.

- Never allow passengers to ride on the bow area of a boat, gunwales or outside of protective railings/seats, including the front of a pontoon boat. A sudden turn, stop or start could cause a fall overboard.
- The main rule we see broken is boaters & PWCs (jet skis) following other boats pulling skiers/tubes entirely too close. Never follow directly behind another watercraft. PLEASE GIVE SKIERS and TUBERS SPACE.

## PULLING SKIERS (SKIING, WAKEBOARDING, SURFING, TUBING)

- All skiers/wakeboarders/surfers should wear a coast guard approved life jacket.
- Use a spotter and/or a large mirror and be aware of other boats in your area.
- Keep your skier a safe distance from all docks, boats, structures, paddleboarders, kayakers, etc.

**Avoid Power Turns:** When a skier falls, make sure to come off the throttle and slowly turn/approach your skier. This is unsafe and throws wakes throughout the lake. The only time a power turn is recommended is if you are in a busy area with approaching boats or a skier could be injured.

## BOATING ETIQUETTE TIPS

**When wakesurfing or driving a larger boat that can create a large wake:**

- Stay at least 200 feet away from structures or shore; this allows your wake to dissipate before impacting the shore & docks.
- Avoid close passes to other boats, paddleboards, kayaks and docks.
- Keep music at a responsible level; sound travels much farther than you think on the water.
- Finally, be aware of how your wake is affecting others. In addition to other boaters, docks and shoreside properties, this applies to other watersports enthusiasts too.

## WAKE RESPONSIBLY

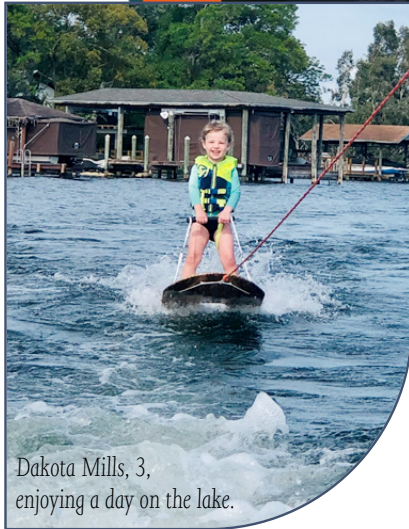

- 1 Stay at least 200 feet away**  
from the shoreline, docks, or other structures.
- 2 Keep music at reasonable levels.**  
Sound travels well over water. If it's loud enough to hear at 80 feet back, it is likely loud enough for homeowners to hear, too.
- 3 Minimize repetitive passes**  
on any one portion of shoreline. Once you've run the same line for a while, move on to another area.
