Happy Spring Everyone! Our April meeting was a bit shorter as we did not have as much business as usual.

Jamie Sheer provided our financial report. We finalized the numbers for the Luminarias with the Boy Scouts from this past Christmas and we just wanted to take a moment to say a big "thank you" to them for all their hard work this year! We look forward to having them manage the Luminaria effort for us again this Christmas.

Our most recent event was the Easter Egg Hunt, that Kendra York again managed with great flair and style! Please see her article on

Page 8 for some great photos and her review of this wonderful community event. Thank you Kendra! Our next community event will be the Fourth of July Parade and Water Ski Show at White Sands Beach. Jackie Lais and Neil Norden have begun their work on this great event. If you would like to volunteer to help please reach out to them, I know it will be appreciated!

by Mark Snellgrove, CRD President

The CRD had a great April meeting with a slide show presentation from resident, Suzy Giunta. Suzy has been busy taking photos of the docks at Scotty Cooper Park and White Sands Beach. Suzy strongly hinted it might be time to remodel the docks and with the photos included in her slide show, it was enough to convince the Board to look into it. White Sands Beach Chair, Kevin Shidler, and Community Development Chair, Mike Carelli, will take the lead on researching it.

Additionally, the Board approved the Woofstock doggy event to return to OCP on October 22, so mark your calendars. Also discussed was the positive impact a youth sports program has for Original Carrollwood, specifically i9

at OCP. There appears to be many families from OC that participate and enjoy the close convenience.

The Board decided at the April meeting to re-key the dog park gate at OCP; so if you regularly visit the dog park, you can stop by the Recreation Center Business Office and purchase your new key. The cost is \$15. These are high security keys which cannot be duplicated.

Have a great summer !

The Board of Trustees of the Carrollwood Recreation District, a Florida independent special district, will hold a public hearing on Monday, June 13, 2016 at 6:30 p.m. The purpose of the public hearing will be so property owners and residents within the district may appear and be heard before the adoption of the 2016-2017 budget. The meeting is open to the public and will be held at the Carrollwood Recreation Center located at 3515 McFarland Road, Tampa, Florida 33618. Persons with disabilities needing special accommodations to participate in this meeting should contact the District Office at 813-932-1257 at least 24-hours prior to the meeting. More information on the District can be found online at: www.originalcarrollwoodcrd.com

3118 McFarland Road Carmen Valenti

In 1964, my husband and I met with Matt Jetton the developer of Original Carrollwood, and he showed us the area. There were acres and acres of orange groves and many peacocks. We fell in love with the area the minute we saw it. My three children, Roxana, Ronald and Loretta, grew up here. Loretta and her family now live in Carrollwood and their two daughters, Hayley and Lauren, attend the same school, Carrollwood Elementary, as their mother. I am very honored to be selected as "Yard of the Month." I love working in the yard and I do everything myself except mow the grass.

Happy Birthday on May 5th to Carmen!

OC Easter Egg Hunt

by Kendra York

What a perfect day for an Easter Egg Hunt. The weather was perfect. Krispy Kreme donuts were served with hot coffee. The Easter Bunny came and was ready for photo opportunities and warm hugs. We had a huge turnout of all ages. I have been doing this event for

our community going on nine years, maybe 10. I love seeing the smiling faces of the children with their Easter baskets full of goodies. One little neighbor came and gave me the warmest hug ... that is why I love this event, the children are so HAPPY!

Thank you to all my volunteers. I could never do this without these hard workers.

OC REAL ESTATE SELLING YOUR HOME 101

PLAY TO YOUR ADVANTAGES

by Wayne Wilson, Realtor - Original
Carrollwood Resident 43 Years

As I stated last month, with low inventory comes a SELLER'S MARKET. In other words, there are some things you might use in negotiations that are to your advantage. Remember, as I also stated before, if you overprice your home and get a buyer but subsequently have an appraisal that does not support your offer, the chances are you will lose the sale. But you can sometimes negotiate the buyer to pay a portion of your closing costs.

You may also want to do some updates (just don't go overboard) like painting and cleaning of kitchen cabinets and maybe adding some new hardware or replacing a couple of light fixtures. This can also be effective in the bathroom.

Of course, the other critical area for you is knowing where you are going to move and when occupancy is available. If you haven't started your search for new accommodations, don't procrastinate, because once your property goes on the market it could

move very fast. Remember, just as you have the advantage of being the seller, you will also face the disadvantage of being the buyer when you begin looking for new lodging. You must have a COMPLETE plan to avoid losing money.

You have the misfortune to own an unreliable clock. It gains exactly 15 minutes every hour.

It is now showing 3 a.m. and you know it was correct at midnight when you set it.

The clock stopped four hours ago. What is the correct time now?

Answer: 6:24 a.m.

Since the clock is gaining 15 minutes every hour, for every real hour that has passed, the clock will show 75 minutes.

Since the clock shows 3: a.m., we know that 180 clock minutes have passed.

This equals 144 real minutes (180 / 75 x 60), so the clock shows 2:24 a.m.

The clock stopped 240 minutes ago (4 hours), so the time must now be 6:24 a.m. QED.
