Well folks, we had a light turn out this month and not much Board business to discuss. We had a great Easter egg hunt, as you'll see in the article on Page 10. Our next events will be the Carp Release, see Bryan's article on Page 12, and then the parade and water ski show on July 4. Have a great May! 🇧🇷

Boy Scout Troop #217 attended our April meeting for the purpose of earning their "Citizenship in the Community" merit badge. The Scouts are closely connected to our Community, and we appreciate their service with the annual luminary distribution.

Board member Suzy Giunta reported that there was an auto accident that caused damage to the block wall and decorative fence along Orange Grove Drive - close to Phoenix Circle. Suzy reported the accident to the auto owner's insurance carrier and is working on repair estimates to submit for reimbursement. Thanks to Phoenix Circle residents Jenni Coppola and Mark Killen for alerting the Board.

The Board also appreciates resident Terri Brown who lives next to White Sands Beach. Terri keeps an eye out and alerts us to any issues that might arise. 🇧🇷

The Board of Trustees of the Carrollwood Recreation District, a Florida independent special district, will hold a public hearing on Monday, June 11, 2018, at 6:30 p.m. The purpose of the public hearing will be so property owners and residents within the district may appear and be heard before the adoption of the 2018-2019 budget. The meeting is open to the public and will be held at the Carrollwood Recreation Center located at 3515 McFarland Road, Tampa, Florida 33618. Persons with disabilities needing special accommodations to participate in this meeting should contact the District Office at 813-932-1257 at least 24 hours prior to the meeting. More information on the District can be found online at: www.OriginalCarrollwoodCRD.com.

John & Diane Keen

We're honored and humbled to receive the Yard-of-the-Month Award for April! We've lived in Tampa thirteen years and recently moved to Original Carrollwood last September. We believe our neighborhood is one of the finest in Tampa in every sphere; e.g., amenities, well-maintained properties, the beauty and quality of mid century modern architecture, etc.

We purchased our home from long-time residents Robert and Ceridwyn Whitford who already had the yard in excellent condition. We simply made some modifications to the flowerbeds, installed a new fence and removed a large and dangerous Monkey Puzzle tree from the front lawn. We also replaced a number of flowers and shrubs in the backyard due to the freeze in January.

Diane is a native of Ft. Wayne, IN, and John was born in

Miami and raised in Orlando, FL. We love our new home and neighborhood, and we've been amazed by a host of gracious and friendly neighbors! We hope to call Original Carrollwood home for many years to come. 🌍

NOMINATE A YARD!

Email your nomination to:

REAL ESTATE – 101

Managing Your Inherited Home

by Wayne Wilson, Realtor and
OC Resident

43 Years

So what do you do when your parents move out of their house into assisted living, or worse yet they pass on. You know the routine the only sure things are death and taxes. Well, it can be overwhelming.

The original owner has occupied many of our Carrollwood homes since they were built. Since then, many have had no upgrades. That may seem unbelievable to you, but many of these people were quite happy with the way they set up their home and never had any desire to change it.

We've discussed in the past that the National Association of Realtors did a study on 25 different upgrades done on homes and found that the only upgrade that yielded more money in the sale than cost was related to the garage. I would suggest to you that flippers have the edge on the normal person, but even they don't always get it right often resulting in substantial losses.

Some heirs look upon the event as one where they want to yield "X" number of dollars and then base their pricing decision on that. This is not going to get the property sold. It will, however, get you a lot of frustration.

These homes are now 50 and 60 years old. They have copper plumbing, which over this period of time will often develop pinhole leaks. When that happens, the correct repair is to re-plumb. \$4,000 - \$6,000. Roofs are often 12 or more years old and have lost their usefulness. \$10,000 - \$20,000. Redoing the kitchen can be \$25,000 - \$40,000. Trust me on that one because I have been trying to redo the kitchen in my home for two years and prices have been astronomical. Bathrooms can cost anywhere from \$6,000 - \$10,000 for just modest upgrades. Pools often need resurfacing (\$4,000- \$6,000), and cool decks are dated leaving one to get pavers. \$6,000 - \$10,000. Windows are leaking in the corners causing deterioration of the drywall. \$8,000 - \$10,000 for windows and \$1,000 plus for drywall repairs. Then the heating and cooling systems. \$4,000 - \$6,000 per system.

OC Listings

as of *The Caroler* deadline:

A=Active; P=Pending; S=Sold in the last 30 days

Status	Address	Htd Sq Ft	Price
A	10908 Juniperus Pl	1,830	\$339,000
A	11731 Lipsey Rd	2,409	\$459,900

S	3305 Picwood Rd	1,726	\$369,000

You can certainly dispute these numbers, and many of these things may not be required. If they are then you need to be prepared if you plan to sell that property for top dollar and you may have to put yourself through a great deal of heartache and suffering for very little if any, financial benefit if you choose to upgrade before selling.

One of a Kind Classes at Chamberlain Stand Out on Your College Application

by Danielle Buchert, M.Ed

Curriculum Specialist, Chamberlain High School

CHS will offer three unique opportunities for students starting in the 2018-19 school year: Pre-AP Ninth Grade, AP Capstone, and Health and Wellness Certification Program.

Pre-AP Ninth Grade Program

Chamberlain is one of 100 schools in the nation to offer the Pre-AP Program to all incoming ninth grade students. This new Pre-AP program offers students instructional resources and classroom-based assessments to build,

strengthen and reinforce content knowledge and skills.

Students will take the following five core courses: Pre-AP Algebra 1, Pre-AP Biology, Pre-AP English I, Pre-AP World History and Geography, Pre-AP Visual and Performing Arts

AP Capstone Program

Chamberlain is proud to be an AP Capstone school. AP Seminar will be offered in 2018-19 to both sophomores and juniors who successfully pass the AP Capstone interview process. AP Research will be offered in 2019-20 to all students who complete in the AP Seminar course.

AP Capstone was developed in response to feedback from higher education. The two AP Capstone courses, with their associated performance tasks, assessments, and application of research methodology, require students to:

- Analyze topics through multiple lenses to construct meaning or gain understanding.
- Plan and conduct a study or investigation.
- Propose solutions to real-world problems.
- Plan and produce communication in various forms.
- Collaborate to solve a problem.
- Integrate, synthesize, and make cross-curricular connections.

Health and Wellness Exercise Science

Chamberlain will offer an exciting career preparatory program starting in the 2018-19 school year. Students who enroll and successfully complete the Exercise Science Program will earn Industry Certification in Health Science. This certification, awarded by the American College of Sports Medicine, enables students to be Certified Personal Trainers. Students will have a comprehensive understanding of human biology and practical application of fitness and human performance through this exciting program.

Students will need to pass the following courses to earn certification: Anatomy and Physiology, Health Science Foundations and Health and Wellness 3: Exercise Science

To learn more about these exciting programs, please call CHS at 813.975.7677

SAVE YOURSELF

Cannibals ambush a safari in the jungle and capture three men. The cannibals give the men a single chance to escape uneaten.

The captives are lined up in order of height, and are tied to stakes. The man in the rear can see the backs of his two friends, the man in the middle can see the back of the man in front, and the man in front cannot see anyone.

The cannibals show the men five hats. Three of the hats are black and two of the hats are white.

Blindfolds are then placed over each man's eyes and a hat is placed on each man's head. The two hats left over are hidden. The blindfolds are then removed and it is said to the men that if one of them can guess what color hat he is wearing they can all leave unharmed.

The man in the rear who can see both of his friends' hats but not his own says, "I don't know." The middle man who can see the hat of the man in front, but not his own says, "I don't know." The front man who cannot see ANYBODY'S hat says "I know!"

What color was the front man's hat, and for extra credit, how did he know?
