We held our second conference call Board meeting this month. We are glad to announce that we have a new Board member, Mickey Jaap. He will be taking over the position of Standards Enforcement chair from Josh Shaffer. Welcome Mickey! Thanks so much Josh for doing a great job! Josh has moved to Crimewatch and also working with Jerrod on social events. Our Treasurer, Jamie Sheer, regaled us with an excellent financial report and we appreciate his efforts. Bryan Huls updated us on a grant program that he and Josh are looking into for the lake management efforts. Josh discovered this County program's availability and we are most grateful. We'll keep you posted on our progress on that. Mark and Jerrod updated us on our progress on the Neighbors Helping Neighbors program and the Crimewatch email registration. Please make sure that we have your email as this is the vehicle we'll be using to provide Community updates.

Usually our next big Original Carrollwood annual event is July 4th. Due to what's happening with social distancing, we have found it necessary to cancel the parade. We are exploring options for the ski show, as it will really depend on what our Governor and Hillsborough County are doing at that time regarding large crowds. While there is a great probability we'll have to cancel that as well, we are exploring a few options and will keep you posted via the Crimewatch email and Facebook page. Please be on the lookout for updates on that.

Jimbo Woodroffe updated us on several construction projects. Thanks much for your work on that important area Jimbo. Jim Blanco reported on Newcomers and Yard of the Month. Thank you Jim for your perseverance! Ashley kept the minutes and provided April's minutes as well, thank you Ashley.

I am pleased to announce that resident Janet Bourland is the new office manager at the business office inside the Recreation Center. Her first day was May 11, so by the time you read this article she should have a good handle on it. It is with sadness that we say goodbye to Laura Allegri who has been at the helm for six years, having served our Community well. Both Laura and Shelley Stewart have spent the last two weeks training Janet during the transition period.

The Board conducted our May meeting via communications media technology and TEN non-Board members called in to participate. The CRD's general counsel (GC) was on the call and updated everyone on the park closings during this unique time and when we might expect to reopen. The GC's recommendation was to follow Hillsborough County because they have public health experts, whereas

the CRD does not, and to be out-of-line with the County could risk the CRD's special taxing authority. Also, White Sands Beach is considered a neighborhood park, so when Hillsborough County reopens their neighborhood parks with playground equipment and picnic tables, we should be able to do the same.

Lastly, a great big thanks to CCA Board members Jim Powell & Bryan Huls for calling in to the meeting. They both were able to take the GC's advice and guidance and share it at their Board meeting. 🇧🇷

The Board of Trustees of the Carrollwood Recreation District, a Florida independent special district, will hold a public hearing on Monday, June 8, 2020, at 6:30 p.m. The purpose of the public hearing will be so property owners and residents within the district may appear and be heard before the adoption of the 2020-2021 budget. The meeting is open to the public and will be held at the Carrollwood Recreation Center located at 3515 McFarland Road, Tampa, Florida 33618. Persons with disabilities needing special accommodations to participate in this meeting should contact the District Office at 813-932-1257 at least 24 hours prior to the meeting. More information on the District can be found online at: www.OriginalCarrollwoodCRD.com.

We are honored to be nominated as the OC yard of the month. I moved into the neighborhood back in 2006 with my late wife, Gina, and my two sons, Drew and Blake. We have loved this location because of all the amenities. We especially have enjoyed the

parades and the luminarias!

When we bought the home, we remodeled the house significantly and added a second story. We added on to the pool area in the back yard and installed a fire pit. I designed and maintain the yard and landscape myself. I enjoy being

out in the yard and working with nature to try and make something beautiful. I will miss being in the OC as I have sold the house to Jenna and Mike Melasi. I know they will enjoy the home and the wonderful neighborhood as much as we have. 🙏

NOMINATE A YARD!

Email your nomination to: YardoftheMonth@OriginalCarrollwood.com

Include: • Address of nominated yard • Reason for nomination • Your name, phone number, & email address • If possible, please include a photo of the yard with your nomination. Thank you!

Nominations can also be made at the Community Center, at Board Meetings or by visiting www.OriginalCarrollwood.com

Head of School Announced for Corbett Prep

Corbett Preparatory School of IDS News Release

The Board of Trustees of Corbett Preparatory School of IDS is proud to announce that Nicholas Rodriguez has accepted its invitation to be the next Head of School to begin on July 6, 2020. According to Jeff Shannon, current Corbett Prep Board President, "Nick Rodriguez is the absolute right leader to lead Corbett Prep into its next generations of success."

Dr. Joyce Burick Swarzman, Corbett Prep's Head of School since 1996, who has trained over 15,000 educators, is pleased to begin her new role as President of Training and Outreach to continue the school's work as a leading private school with a public purpose, along with the opportunity to support Mr. Rodriguez as he starts his tenure as the new Head. Dr. Swarzman is extremely enthusiastic for Mr. Rodriguez to return to the school in his new position after working with her as a Leadership Fellow at Corbett Prep during the 2011-12 school year.

Congratulations OC Graduates!

Class of 2020

Tilden Agee is graduating from Cambridge Christian School. He will continue his education at Florida Southern College, where he is committed to playing baseball. At Cambridge, he was involved in the Student Leadership Institute, Key Club, Student Council, and an Ambassador. He was a varsity catcher for Cambridge since eighth grade. Last year, he was selected to the National Christian School Athletic Southeast Super Regional baseball team and Honorable Mention All-Hillsborough County team his junior year.

Trevor Butts is graduating May 9, 2020, from USF with his Masters in Instrumental Conducting. He was selected for a graduate student position at LSU in Baton Rouge, LA, where he will pursue his Doctorate of Musical Arts and Wind Conducting this upcoming fall. Trevor attended Carrollwood Elementary, Adams Middle School, and Chamberlain High School. He was a drum major at CHS and was also the drum major at USF for three years. Trevor's goal is to become a Director of Bands at a university. We are very proud of him and know he will make a difference in many lives. His parents are Carl and Vicki Butts, and his sister is Taylor Butts. They have lived in Carrollwood for 25 years.

Jack Georgiades, a Senior at Jesuit High School and alum of Corbett Prep, will be attending Butler University this fall. He is majoring in Psychology with a double minor in criminology and neuro-science. Congratulations, Jack!

Lucas Georgis is graduating from Thomas Jefferson High School Honors Law Program and has been accepted to the new cybersecurity program at USF while participating in the USF Air Force ROTC Program. Lucas is the son of Daoud and Linda Georgis and the brother of Stefan and Matthew Georgis. Lucas is a sergeant with the Hillsborough County Sheriff's Office Explorer's Program, a member of the National Technical Honors Society, and a member of the Florida Public Service Association.

Your Mom and Dad are very proud of you!

Sarah Gonzalez, daughter of Rick and Liz, is graduating Academy of the Holy names. She attended Corbett prep elementary school. We have lived in the neighborhood since 2008. Sarah has chosen to attend USF this fall and will major in biology.

Olivia Hamilton graduated with her Masters in Social Work from the University of Georgia School of Social Work in Athens, Georgia. Olivia accepted a position as a trauma therapist with Harmony House Child Advocacy Center and Sexual Assault Center in Royston, Georgia. Olivia's undergraduate work at Florida State University (B.S. Social Work) and her Master's work reflect her long-held dedication to helping those in need. Olivia's previous work has included several summers working at Metropolitan Ministries, church work, and work in Columbia with Children Beyond Our Borders. Olivia is a life-long resident of Carrollwood and member of Grace Lutheran Church of Carrollwood. She graduated from Blake High School, where she was an active participant in the musical theatre program. Her proud parents are Andy and Mary Ann Hamilton.

Lauren Taylor Hughes graduated from Howard W. Blake Performing Arts High School, where she majored in their music program

as a cellist and choir member. She performed in many places, including Ireland, Carnegie Hall, and alongside the Florida Orchestra. She was a member of the Key Club, French Club, and National Honor Society. Lauren was also a member of the rowing team. Lauren will be attending the University of South Florida with a focus on BioMedical.

Maggie Jaap is the daughter of Mickey and Meg Jaap. She is a senior at the Academy of Holy Names. She was a member of Crew, Key Club, National Honor Society, Tampa Metropolitan Youth Orchestra, Tampa Mayor's Youth Corps, President of AHN Ambassadors, and a recipient of the Marie Durocher Youth Justice League Scholarship. She will be attending Florida State University and pursuing a music performance degree. Her parents and brothers, Ben and Bo, are very proud of her.

Trevor Alan Jackson, son of Maria and Brian, brother to Eric of Nakora Drive, graduated from the University of Florida April 30 with a Doctor of Physical Therapy degree. He's excited to begin his career as a physical therapist.

We're very proud of his accomplishments.

Connor Leach

Connor, son of Dr. David and Nancy Leach of Carrollwood Drive, is a 4.0 graduate of Berkeley Preparatory School. There, he was class president, on the Varsity Baseball and Varsity Basketball Teams, a Writing Tutor, National Honor Society, National Art Honor Society and treasurer of Student Forum. Connor grew up in Original Carrollwood, playing baseball at Forest Hills Youth Baseball and attending Lake Magdalene United Methodist Church. Connor has served our Community by participating in LAKEWatch for Lake Carroll for the past four years, testing the water of our lake for the University of Florida's Institute of Food and Agricultural Sciences/SFRC Fisheries and Aquatic Sciences. Connor will be attending Davidson College in the fall studying Economics. His family is very proud of Connor for all his accomplishments!

Alyssa Rose Klapka, granddaughter of long-time Carrollwood residents, Sam and Nilla Leto, will be graduating summa cum laude from the University of Central Florida with an undergraduate degree in Emerging Media: Character Animation. Her senior project, the short film, STICK TO MANUAL, will be available for viewing on YouTube. She will begin the Master of Fine Arts program in the fall.

Nicholas Loos is a 2020 honor roll graduate from Gaither High School. He is attending Hillsborough Community College in August and plans on studying video and film production. We are all proud of his accomplishments!

Maggie Parrish

graduated from the University of Florida in December 2019 with a B.S. in Environmental Science and a certificate in climate change and meteorology. She was a student-athlete with the UF Cross Country and Track teams, earning her varsity letter in Cross Country. Maggie also served as a student liaison for the School of Natural Resources and Environment. While at UF, she received a grant from National Geographic to study alpine meadows in the backcountry of the Teton Mountain Range. Maggie

is currently a graduate student at the University of Florida with the School of Forest Resources and Conservation studying riparian forests.

Katie Erin McCormick from Rob and Colleen McCormick of Lake Ridge Road are proud to announce the graduation of their daughter, from Academy at the Lakes. Katie Erin will attend Auburn University in the fall and plans to double major in Music Education and Music Performance.

Navy Ensign *Christian Montgomery*, son of Nancy & Bruce Montgomery (Lake Carroll Way), will graduate from Massachusetts Institute of Technology in May, 2020, with a Master's Degree in Aeronautics & Aerospace Engineering. After training classes in Norfolk and Pensacola this summer, Christian will be stationed at Fort Meade, MD, as a Cryptologic Warfare Officer.

Shelby Rose Peterson

Shelby graduated Cum Laude with a Bachelor's in Chemical Engineering from the University of South Florida and was also a part of their Honors College. She worked for USF as lead engineer for the Student Green Energy Fund on a project using anaerobic digestion of campus food waste to produce a renewable energy. She was also Vice President of The Society of Women Engineers. Shelby will start a new adventure in S. Carolina, working as a chemical engineer for the Savannah River Remediation. Her father, Glen Peterson, and mother, Susan McGilvrey, could not be more proud of her!

Morgan Sheer received a Master's degree in Public Health from the University of Florida. Morgan graduated with a perfect 4.0 GPA and will be continuing her education at UF in the accelerated nursing program. Her parents, Jamie and Melinda Sheer, and siblings, Kelsey and Jack, are very proud of her! Go Gators!

Blake McCoy

is salutatorian of Cambridge Christian School. He will further his education at the University of Florida, where he earned a presidential scholarship. As a member of his school's Student Leadership Institute, he received the "Abraham Entrepreneurship Award" for two consecutive years due to his initiation and development of a student-led mentorship program at a nearby public elementary school, as well as a "future business leaders" organization at Cambridge.

Jack Sheer, son of Jamie and Melinda Sheer, is graduating from George Steinbrenner High School. Jack was a member of Student Government, National Honor Society and Beta Club. He played varsity football and was captain of the varsity lacrosse team. He will be attending UCF and pursuing a degree in Business Administration. Jack grew up in Original Carrollwood and loves to wakeboard, wake surf and fish in Lake Carroll. His parents and sisters, Kelsey and Morgan, are very proud of him! Go Knights!

Mackenzie Leigh Siddall

Mackenzie is a second-generation Tampa Catholic High School graduate. She is the daughter of Paul and Missy Siddall and sister to Kassidy. She is also the granddaughter of the late Stu and Lois Siddall, who were longtime residents to OC. Mackenzie loved her time at Tampa Catholic participating in many of the groups offered, including LOCOS, Key Club, Yearbook, and Pink Club. She participated as a student ambassador and was an executive in the SHAPE Senior Program for incoming freshman. Mackenzie plans to pursue Paramedic/Fire School and nursing in college.

Rachel Silva, daughter of Jose & Nancy and sister of Erick, is graduating from the University of Southern Mississippi with a Bachelor of Science in Psychology and a minor in Child & Family Studies. Rachel is a member of Alpha Delta Pi sorority. Rachel was a resident assistant in her sophomore year and a desk assistant for Housing & Residence Life in her junior & senior years. As a freshman, she became president of Tea Club and a member of the Vietnamese Student Association. She then served on the VSA Executive Board

for two years as Community Service Chair and Historian. Rachel participated in many other campus activities, including Stand In to Stand Up (SISU), Psychology Club, and Student Alumni Association. Rachel is a life-long resident of Original Carrollwood and attended Carrollwood Elementary, Adams Middle School, and Gaither High School (Class of 2016). Rachel will return to Tampa after graduation.

Lindsey Snellgrove is the daughter of Mark and Kelly Snellgrove of Lipsey Road and sister to Kate and Jack. She is the granddaughter of OC residents Gerald and Barbara Kolar who live on Samara Drive. Lindsey graduated in 3½ years from the University of North Florida in December, 2019, with a Bachelor of Arts Degree in Criminal Justice and a minor in Psychology. She completed her last semester internship in the corporate office of Southeastern Grocers, Inc. as an asset protection intern conducting accident investigations. After only being home for a short Christmas break, Lindsey was offered a position as an asset protection agent with Lowe's Companies, Inc., traveling between multiple stores that are within the West Palm Beach District. Mom & Dad could not be happier because sister, Kate, works in West Palm also.

Gavin Tonkyro

graduated from the University of South Florida with his Bachelor of Health Sciences Degree in December, 2019.

Gavin has recently been accepted into the University of St Augustine's Doctor of Physical Therapy program in the fall of 2020.

Grant White

, son of Tom and Amy White, graduated from UCF with a Bachelor of Science Degree in Industrial Engineering, May, 2020. During his time at UCF, Grant was an active member of Phi Delta Theta Fraternity; as well as, completed an internship with JBT AeroTech and Knowledge Accelerators. Grant has accepted a position with Lockheed Martin in Orlando. Go Knights!!

Noah White

, son of Tom and Amy White of Reclinata Lane, is a graduate of Brooks-DeBartolo Collegiate High School, May, 2020. While at Brooks, Noah was chosen as the 11th Grade Phoenix Outstanding Student of the Year. He was also a member of NHS, Mu Alpha Theta, CLIC Leadership. He lettered in tennis, soccer, and cross country. Noah will be attending the University of Florida in the fall. Go Gators!

Chase Douglas Ure is graduating with honors from Blake High School of the Arts as a classical guitar major and is a member of the National Honor Society and the Blake High School Guitar Honor Society. He has chosen to attend The Florida State University School of Music in the fall and will major in Commercial Music with the goal of becoming a professional in the music industry as a producer, songwriter, and sound engineer while continuing to train and perform with his instrument, the classical guitar. Since the age of eight when he picked up a guitar, there has been no stopping Chase when it comes to music. He is a seasoned performer and if you don't find him on his instrument jamming with friends or in his home studio producing music, you will find him boating, fishing or playing tennis. We are more than proud of you Chase and will so miss the music you make around the house!

That's about 0.5% of all our houses. The national average for a community like ours is 4.0%. As I have said many times in the past, YOU are responsible for that. When you talk to your non-resident friends about how great our Community is, the word travels. When visitors drive through our area and see the care and maintenance that the majority of you put into your homes and yards, they notice.

I recently had a client come to me to take them around OC. They didn't even know where it was, but they had heard of it from friends. They didn't know of all the homeowner amenities, and they were aghast at the beauty of our recreation facilities and the vastness of our lake.

Keep up those external communications! Let people know about the correspondence that flows from the security representative of the CCA, and how little our safety issues are.

And oh, one other thing. I often hear OC people complaining about people walking or running in the streets. They don't understand why they don't do that on the sidewalks. Well, there's a simple explanation. Most people walk in pairs. During the development of OC, the sidewalks were not built very wide. If you drive around Carrollwood Village, which was initially started by the builders of OC, you will note that the sidewalks are considerably wider. Therefore, you'll see most people over there on the sidewalks. My suggestion to you is watch out when driving around our neighborhood and give those

people who want to be together some space. 🙄

POST-PANDEMIC, MOST CONSUMERS WANT TO UPSIZE

By KT Tershowski/REALTOR®

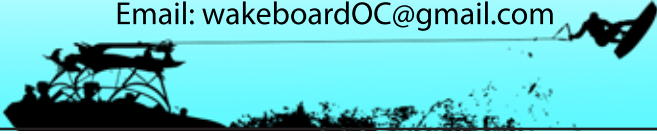

Smaller homes and condos were the previous craze in real estate prior to the pandemic, especially for millennials. Due to the pandemic, there has been a recent prediction wave for buyers' desire to upsize their homes. With Governor Desantis' statewide stay-at-home order, many Floridians have hunkered down and have started to feel confined and have begun to feel stir-crazy. According to Realtor.com, a survey of 1,300 homeowners stated the biggest complaint about their home during the pandemic was "small spaces." The "must-have" items for their next home would be a larger space and outdoor area. The desire to have more space will most likely rotate back into a new trend, and many prospective buyers will be looking to upsize. This could also be upsizing to more square footage, natural light, outdoor living space, a view, or complex amenities. The survey also found the two most coveted features for a new home are a quaint/quiet community and outdoor living space. For many Americans, being stuck inside has allowed homeowners to reconsider the most important features in their homes and their space. Going forward (post-pandemic), outdoor living space, as well as square footage, could become the most important. 🙄

Q-Tips

from Daniel Francis, life coach

These are strange times.

Be kind to yourself- it will make you more patient.

Watch the stories you tell yourself.

Sometimes we don't have all the details.

Our narratives can become self-fabricated prisons

Ask: Is what I'm thinking true?

Is what I'm feeling based on facts?

What are some other possibilities?

Take a breath- it's free.

Amazingly, we do this 12-15 times a minute.

This unconscious act is full of in-spire-ation.

Strange times, yes, but occasions for awareness.

Last month's Puzzling Foursome

Find four numbers, the sum of which is 45, so that if 2 is added to the first number, 2 is subtracted from the second number, the third number is multiplied by 2 and the fourth number is divided by 2, then the four numbers so produced are all the same. What are the four numbers?

Answer: 8, 12, 5, and 20

Dream Catcher by Lula Dovi

That geometric web of filaments
 dangles from my porch ceiling
 and makes me wonder if
 the Navajos were on to something.
 How invisible yet visible
 are those scenes on our mental screens.
 One can mend the snags and rips
 or even slash them open again!
 Would another chance be better?
 Perhaps vagaries of the mind
 could show us how
 to net the shaman's insight,
 to shape it for our pondering.
 Perhaps I should send the tribe
 a donation as requested
 in this mailout from the far Northwest.
