4th of July Celebration

by Neil Norden and Jackie Lais

Parade: The parade will start at 10 a.m. The parade route will run from the Rec Center down to White Sands Beach. Residents should begin gathering in the parking lot of the Rec Center by 9:30 a.m. Bryan Yarbrough will be heading up the judging... hopefully he cannot be bribed?

Ski Show: The Annual Water Ski Show will begin shortly after the arrival of all the residents at White Sands Beach. Bring your beach chairs, blankets and sun-screen to enjoy this festive event!

BBQ: Complimentary BBQ will be served to Original Carrollwood residents beginning at approximately 11:30 a.m.

Awards: Judges will be along the parade route looking for spirited 4th of July families and individuals. Awards will be presented at the beach.

Night Beach Party: Saturday Night Fun Night. Taking advantage of the 4th falling on Saturday, the CCA invites the neighborhood back to White Sands for an evening enjoying music and each other's company. Festivities will begin 8 p.m., sun sets at 8:30 p.m. and music will start at this time.

Fireworks and glass are not permitted. Questions: Contact Jackie Lais at JackieLais@originalcarrollwood.com or 813-376-9767; or Neil Norden at NeilNorden@originalcarrollwood.com or 904-742-8649 cell.

.....
● **Service Hours:** Student volunteers are needed for everything from setting up, serving food, crowd control and clean up. If you need Community Service hours, please come WITH your paperwork to White Sands Beach. Volunteers should show by 8:30 a.m. at White Sands Beach to help with set up. Neil Norden – CCA Social Co-Chair will sign paperwork.

Happy Fourth of July everyone. We are looking forward to our great Community celebration on Saturday, July 4. Please see Jackie Lais' article on Page 3 for further details.

Neil Norden, Jackie Lais, and Bryan Yarborough have been preparing for the 4th of July event and tell us they have everything ready to go. This is one of the CCA's grandest events and we look forward to seeing you there. Also, our Carp release event at White Sands Beach was a great success.

Please see Bryan's article below for more information on that. It was a great turnout by the Community! Our June meeting included a presentation by the Board's attorney, Eric Appleton,

on the deed restrictions. He gave us an update on them and we will be providing more information on that in the future. Jami Sheer provided a financial update showing that we are in great shape there.

Have a wonderful Summer!

Carp Release a Success

by Bryan Huls

We had a very successful event on May 16 releasing all our new Carp into the lake.

Thank you to all the families that came out to support the event. White Sands Beach was full of interested spectators enjoying the show and the complimentary coffee, juice and donuts that were

provided. Most kids present had the ability to get up close and personal with our new lake neighbors.

Thanks again and enjoy the pictures.

by Mark Snellgrove, CRD President

Summer is here, so by the time this *Caroler* edition is delivered we will be a few days away from the 4th of July ski show and cookout hosted by the CCA. If you are in town, be sure and walk in the parade leading to White Sands Beach.

The June CRD Meeting drew about a dozen residents as the Board conducted a public hearing and adopted the 2016 Fiscal Year Ending budget as required by State Law. A great big thanks to Treasurer Ryan Maas, Ryan only recently joined the Board but has learned the position with great speed and success. Ryan manages approximately

\$590,000 tax dollars annually for the CRD. Some of his duties include: overseeing an annual audit, remitting monthly sales tax to the State, remitting monthly employment taxes, and finalizing the monthly compilation report from the Board accountant.

Ryan Maas
CRD Treasurer

Ryan should be at the 4th of July ski show, so don't hesitate to give him a pat on the back.

We moved to Original Carrollwood four years ago from Deerfield Beach, Florida after living there for 29 years. Our daughter Danielle, who lives in Tampa, highly recommended this neighborhood because of the parks, lake and green canopy affording much shade.

Debbie loves butterflies, so we decided on (of course) a butterfly garden. It's still in progress as she constantly prunes and adds plants to bring color and different species of butterflies into the yard. The large Spinach trees attract monarchs, our favorite. We also concentrate on conservation in our plantings.

We enjoy the area because of the friendly environment of the neighborhood.

OC REAL ESTATE SELLING YOUR HOME 101

4-POINT INSPECTION- HEATING SYSTEM

by Wayne Wilson, Realtor & Original
Carrollwood Resident

In this second of four-part series on the "4-Point Inspection" required by most insurance companies, we will address the heating and A/C systems. The most significant part is the age. First, is the system in good working order? The inspector will operate both heating and cooling sides through the thermostat and check the temperature of the air as it passes through the ventilators to make sure it is working properly. For example, normal cooling will come out at a temperature of 8-10 degrees below the inside temperature and reverse for the heat.

They will check wood burning stoves for professional installation and chimneys to assure that there are no weaknesses, rust, or deterioration of the stack/flue or breakdown of the firewall.

They will also look for space heaters and if they are a primary source of heat that will be a significant drawback to acceptance. Obviously, our homes in Carrollwood are not of that vintage, but one never knows for sure what some people do behind closed doors.

For us, the primary problem becomes age. In one of my previous reports I addressed A/C's, but I just want to reiterate once more. If your system is over 15 years old it's probably on its last legs and it's costing you serious money in electric bills each month. In my case, I replaced

my 1985 vintage unit three years ago because I figured it was on its last leg even though it still worked. The impact I felt tracking usage over the first year was a savings of 42% the first year. For me, that meant a return-investment payback in five years.

A Nation's Strength

Ralph Waldo Emerson (1904)

What makes a nation's pillars high
And its foundations strong?
What makes it mighty to defy
The foes that round it throng?

It is not gold. Its kingdoms grand
Go down in battle shock;
Its shafts are laid on sinking sand,
Not on abiding rock.

Is it the sword? Ask the red dust
Of empires passed away;
The blood has turned their stones to rust,
Their glory to decay.

And is it pride? Ah, that bright crown
Has seemed to nations sweet;
But God has struck its luster down
In ashes at his feet.

Not gold but only men can make
A people great and strong;
Men who for truth and honor's sake
Stand fast and suffer long.

Brave men who work while others sleep,
Who dare while others fly...
They build a nation's pillars deep
And lift them to the sky.

Happy  Independence Day!
