Happy 4th of July! Your CCA Board had a great June board meeting, with updates on our continued long-range projects and our upcoming social events. This includes our annual 4th of July parade which is one of our neighborhoods biggest events.

Be sure to join us for a fun-filled day, starting with a parade ending at White Sands Beach. Once you're there, join us for some BBQ courtesy of Whaley's and enjoy a ski show from the Tampa Bay Water Ski Show Team – it's always a great time! As a reminder, the parade is a closed street for walkers and bikers only.

As we enter the summer season, be sure to update yourself on boating safety and etiquette so we can all enjoy Lake Carroll safely!

If you're looking for more information, be sure to check out our website at www.originalcarrollwood.com and send us an email to get added to our mailing list at cca@originalcarrollwood.com. We also encourage you to sign up for our text messages to get neighborhood updates in real time! 

CALLING ALL NEIGHBORS!

We are looking to add some new and exciting content to *The Caroler* in the upcoming months. We have a few ideas for articles.

We would love your help to contribute to some of these!

2. REMARKABLE RENOVATIONS —

Many homes in our neighborhood have gone through amazing transformations and facelifts. If you would like to share the work you've done on your home (exterior curb appeal or backyard renovations), send before/after photos and a small blurb about the work you've done to improve the appearance of your home.

Please e-mail all submissions to Kristin Nail kristinnail@originalcarrollwood.com

1. YOUNG NEIGHBOR AWARDS AND ACHIEVEMENTS —

We would love to highlight some kids in the neighborhood who have earned awards or proud of something they have achieved. For example: Winning a soccer tournament, making a travel baseball team, district speech competition winner, learning how to ride a bike for the first time, etc. No achievement is too small! Send in a photo and blurb about your child and we will put it in a future issue.

3. NEWCOMER SPOTLIGHT —

If you have recently moved in the neighborhood (within the last year or so), we would love to get to know you! Email Kristin Nail at kristinnail@originalcarrollwood.com and she will send you some short/easy interview questions for a spotlight article.

Thank you! Look forward to seeing more of you in *The Caroler*.

CRD News

by Nicole Barolo

GOOD NEWS: In the June 2025 meeting, the CRD budget was adopted for next year.

The budgeted annual tax assessment will remain the same (\$800) as promised in the CRD tax referendum project of 2022. No changes to this assessment is a good thing for all OC residents!

SALES CONTINUE: As the CRD works to ensure that as many residents as possible have them, sales of the electronic access fobs for White Sands Beach are ongoing. Rec Center hours for purchases are M-F, 9 a.m. to 1 p.m.

Fobs are \$30 each with a limit of 2 per family.

Cash, check or credit card (with additional processing fees) are accepted.

Access control fobs are activated within 24 hours of purchase.

REMINDER: Why did the CRD implement this system?

Come by the Rec Center to purchase
your **Electronic Access Fob** today!

Cost is \$30. Two allowed per family.

The Electronic Access Fob provides controlled entrance and exit for White Sands Beach.

The boat ramp and bathroom keys remain unchanged.

WHITE SANDS BEACH IS OPEN DAWN TO DUSK, **with gates programmed accordingly.** During the summer season, a guard will be present from noon to dusk, and gates will be open.

Per usual procedure, **please show your ID** for entrance to the beach through the open main gate. This allows for added security.

Keep your keys to other neighborhood areas too, like Scotty Cooper Park, Tennis Courts, Dog Park, etc. More info will come as future plans develop to include these areas with electronic access using the Fob for entry.

The new electronic key fob system is designed to be modern and is easy-to use. The goal is to provide safe, reliable access during operating hours to our shared space at White Sand Beach. Unlike keys, electronic access fobs are unable to be copied and shared.

Ultimately over time, the electronic fob will replace a few keys to various amenity areas and as a result there will be a cost savings to residents.

QUESTIONS? ATTEND THE NEXT SCHEDULED CRD MEETING.

Q | When did you move to Original Carrollwood and what have you enjoyed most about living here?

A | "We are new to the neighborhood! Just moved in December 2024. We have enjoyed meeting all of our wonderful neighbors and getting a little taste of all the events and amenities OC has to offer! I grew up in this neighborhood and my husband and I knew we wanted a special place where we could raise our family."

Q | What do you love most about your home and yard? Why?

A | "We've really enjoyed renovating our home while maintaining its character and charm. Our dogs are loving the corner lot and we can't miss a Friday night sitting out on our front porch. We have several family members in the neighborhood and our driveway is perfect for multiple golf carts!!"

Q | When thinking of all the time you have spent in your yard, do you have a favorite memory?

A | "Although our time in the neighborhood has been short- we've already experienced lifelong memories! We are expecting our first child soon and we can't wait to raise our family here. After we painted our house, we took this picture. The start of many more special moments in our home!"

Q | Any fun facts, hobbies or words of wisdom you would like to share with your neighbors?

A | "We enjoy anything outdoors- if you see us don't hesitate to give us a wave or any words of wisdom as we are OC rookies!"

Email your nomination to: YardoftheMonth@OriginalCarrollwood.com

Include: Address of nominated yard • Reason for nomination • Your name, phone number, & email address • If possible, please include a photo of the yard with your nomination. Thank you! OC REAL ESTATE

By Clay Brown
Managing Broker/Market President
Berkshire Hathaway HomeServices
Florida Properties Group. 813-786-4982

Summer in Florida has a way of showing up early. By July, the heat is on, and in real estate, the market's no different.

Homes are being listed,

buyers are still looking, but the energy has shifted. Gone are the days when sticking

a sign in the yard guaranteed five offers by sunset.

Today, it's not just about listing. It's about launching.

If you're thinking about selling, two things matter more than ever: pricing and preparation. You've probably heard that before, but right now, it's the difference between a home that sells and a home that sits.

Let's talk about pricing. With more homes on the market, buyers are comparing. They're shopping carefully and skipping right past anything that feels out of step. Starting high "just to see" isn't the savvy move—it's the slow one. A well-priced home attracts more traffic early on, which often means better offers

OC Listings as of The Caroler deadline

Compliments of Clay Brown, Realtor®

A	10603 Coquita Lane	1,827	\$550,000
A	10314 Lake Carroll Way	1,632	\$459,900
P	3304 Latania Drive	3,864	\$1,050,000
P	3317 Nakora Drive	1,398	\$450,000
P	10609 Orange Grove Dr	1,927	\$630,000
P	3603 Schefflera Road	2,341	\$675,000

S	10610 Ilex Street	2,278	\$685,000
S	3306 Lacewood Road	1,595	\$495,000
S	3114 Samara Drive	3,667	\$710,000
S	3310 Valencia Road	1,997	\$696,000

and fewer days on the market.

Then there's preparation. This doesn't mean you need to remodel your kitchen or repaint every wall. But it does mean walking through your home with fresh eyes. Replace the lightbulbs. Clean the baseboards. Tidy up the landscaping. A polished space sends the message that the home has been cared for, which helps buyers picture themselves living there. And yes,

listings still sell in the summer...but not all of them. The homes that sell are the ones that shine in the photos, feel clean and ready in person, and hit the market with realistic expectations.

So before the sparklers come out and the burgers hit the grill, take a moment to think strategically. Set the stage before you light the spark. You don't have to be flashy to stand out, but you do need to be smart. And if the market feels like it's shifting in ways you can't quite explain, you're not wrong. It's a subtle change - like a presence you haven't felt since...well you get the idea.

And if you're wondering whether now is the right time to move, let's have that conversation. No pressure, no pitch. Just clarity. Sometimes, the best next step is knowing what your options actually look like.

OC GRADUATES

Gabriela Maria Cartaya, daughter of David and Saby, earned a Bachelor of Science degree with Honors in Construction Management and a Minor in Real Estate from the University of Florida. While at UF, she was a member of Zeta Tau Alpha Sorority and President of the National Association of Women in Construction. She will begin her career with Brassfield & Gorrie as an Assistant Project Manager in Tampa.

Noah Flowers

We are proud to announce the high school graduation of our son, Noah Flowers, from Berkeley Preparatory School. Noah is an avid golfer, and just recently got his first hole in one. While in school, Noah participated in the Latin Club, where he qualified and competed at the State Latin Forum multiple times. He was also a pole vaulter on the Berkeley Track Team, competing in Regionals each year he vaulted. Completing over 150 service hours and receiving the Outstanding Service Award, Noah served in our church, Tampa Covenant, and for LakeWatch, a program through University of Florida that monitors fresh water lakes in the State of Florida. Because of his love of being out in the Gulf fishing and on Lake Carroll, Noah was also the President of the Marine Biology Club at Berkeley. He will be attending FSU in the fall with the intent to study Business and Marine Biology.

Jake Garcia, son of Matt and Jenn Garcia from Samara Drive, graduated with high honors from Jesuit High School. At Jesuit, Jake was Guitar Ensemble President, a Varsity lacrosse player, and National Honor Society member. He will attend the University of South Carolina to study Exercise Science. Jake's future plans include pursuing a Doctorate of Physical Therapy or a career as a professional musician. Jake's parents are incredibly proud of all he does, but most importantly, of who he is.

CLASS OF 2025

Vivian Grace Gilliland, daughter of Mike and Amanda Gilliland of Lake Ridge Road, graduated with high honors while obtaining her International Baccalaureate diploma from Hillsborough High School. During her time at HHS, Vivian was a board member of the National Honor Society, competed in Model United Nations events, was a founder of the inaugural chapter of the Psi Alpha National Honor Society, and was a four-year starter on the girl's varsity tennis team. She volunteered for many Original Carrollwood events over the years and also provides childcare for families in the neighborhood. Vivian will be attending the University of Florida and majoring in Psychology. We are so proud of you! Congratulations Vivian!!

Lilly Gray, We are so proud of our daughter Lilly who graduated from Auburn University with a Bachelors in Psychology and double minor in Business and Training Workforce Development. She is pursuing a career in Human Resources. We love you.

CLASS OF 2025

Adeline Habgood graduated from Hillsborough High School's IB program. She helped lead the school's Model UN and its Honor Council. She also was a Hillsborough High Dancerette and on its swim team. She was recognized with an award for her art in 2024's Shine a Light on Antisemitism Youth Art Contest and named the Art Maynor Outstanding Terrier by the Hillsborough High School Alumni Association. Adeline is actively working on her Girl Scout Gold Award. As a National Merit Finalist and Scholar, Adeline was selected as a recipient of the Benacquisto Scholarship Program. She was accepted to the University of Central Florida's Honors College where she plans to major in Photonics Engineering.

Julia King

We are so proud to announce that our daughter, Julia King, has graduated from Sickles High School! Julia ranked 8th in a class of 599 students and was named an R.F. "Red" Pittman Truman Scholar for graduating in the top 3% of Hillsborough County seniors.

Beyond academics, Julia served as president of the Beta Club, vice president of Student Government, senior class representative for Key Club and was a member of the National Honor Society. She also gave back to the community through the Leukemia & Lymphoma Society's Visionary of the Year program and Hillsborough County's "Ought to Be a Law" initiative.

Julia will be attending the University of Florida to pursue a degree in Public Relations. Congratulations, Julia! We couldn't be prouder of the incredible person you've become. We love you more than words can say! ~With all our love, Mom, Dad & Katelyn

Congratulations OC GRADUATES

Clipper Salmon, son of Gregory and Suzanna Salmon of Carrollwood Drive, graduated with Honors from Chamberlain High School in May. Clipper has followed his passion of playing golf with great accomplishments in the sport over the years. He was recently awarded as the 2024 Boys Player of the Year and Points Champion by the FSGA. His academics and golf talent have earned him the Presidential Elite Scholarship as well as a D1 Golf Scholarship to the University of Alabama at Birmingham. Clipper will attend UAB in the fall to major in Neuroscience and play golf. Go Blazers!

Noah White, son of Tom and Amy White of Reclinata Lane, celebrated his graduation from The University of Florida on May 5, 2025 with a Bachelor of Science Degree in Computer Engineering with a concentration in Electrical. Noah is a lifelong resident of OC. During his time at UF, Noah was a member of the Delta Chi Fraternity and worked as an Operations Associate at UF Rec Sports. Following his graduation, Noah seeks to secure a position in embedded firmware development. His family is immensely proud of his achievements.

Leah Williams

We are very proud of our daughter, Leah Williams, who has graduated from Brooks DeBartolo High School. Leah has grown up in the neighborhood and has created lifelong friendships here. Leah plans to pursue a college degree and create a life full of happiness. She is a kind, intelligent, hilarious, and fiercely protective, beautiful soul. We could not be more proud of the human she is and the example she sets. The world is yours, and we believe in you!

Collins Tinnemeyer

is graduating Pre-K 4 from Bowman Academy this May. She is excited to start Kindergarten in the fall at Carrollwood K8.

HELP KEEP LAKE CARROLL

Beautiful

Collectively the community can make a positive impact on our water quality. Almost all properties in our Community drain to the lakes, so whether you live on the lake or not, everything that happens in your yard can become part of Lake Lipsey or Lake Carroll.

A few simple habits can help keep harmful substances out of our lakes:

- Keep leaves, grass clippings and other yard materials out of the street/drains. Pickup after your pets before it washes to the lake.
- Fertilize responsibly and look to use native plants.
- Do not litter while on the lake and clean up fishing lines. Pickup any trash items that may have fallen into the lake.

Help Maintain Lake Carroll Make a Donation

Residents! Help keep Lake Carroll clean and safe. Financial contributions are needed from everyone. Funds are used to offset expenses for vigorous water sampling and testing, and other lake maintenance and monitoring needs. Contributors are greatly appreciated and will be acknowledged in *The Caroler*.

BOATING ON LAKE CARROLL IS COUNTER-CLOCKWISE!

BIG CHANGES COMING TO CHAMBERLAIN HIGH: A New Era of Innovation and Opportunity Begins in 2026

by Nancy Leach

A bold transformation is on the horizon for our neighborhood high school. Beginning in the 2026-2027 school year, Chamberlain High School will be reborn as **Chamberlain Technical High School of Innovation and Medicine** — a magnet school with a mission to equip students for high-demand careers in healthcare, construction, and entrepreneurship.

Also opening this fall, the **Center for Entrepreneurship** will empower students to think like innovators and act like business owners — whether they're curious about entrepreneurship or ready to launch a revenue-generating venture while still in high school.

In partnership with the **USF Nault Center for Entrepreneurship**, the CHS Center will help students turn ideas into action — from healthcare startups to construction firms to breakthrough inventions.

This visionary transition, backed by Hillsborough County Public Schools and the State of Florida, aims to provide rigorous, hands-on learning experiences that align with real-world workforce needs.

The new magnet will offer specialized tracks in healthcare including **Cardiovascular Assisting, Radiology, Physical & Occupational Therapy/Sports Medicine, Certified Medical Administrative Assistant (CMAA) and Veterinary Assisting**. These pathways are designed to give students early exposure to medical careers while earning industry-recognized certifications before graduation.

On the construction side, students can develop critical skills in: **Electrical Work, Plumbing, Masonry, and Carpentry**. These trades not only offer high-paying career paths but also prepare students to pursue a college degree in construction management.

Integrating Innovation and Entrepreneurship

The transformation does not stop at technical skills. Chamberlain's new identity will seamlessly blend these programs with its nationally recognized **3DE by Junior Achievement model**, and the Cambridge University's **Advanced International Certificate of Education (A.I.C.E.)** offering real-world case-based learning and cross-disciplinary collaboration. Students who graduate with an AICE diploma get Pre-Paid Tuition to Florida Colleges!!

Graduate With a Diploma and a Destination

This fall, two groundbreaking spaces will open at Chamberlain to help students turn their dreams into reality. **Dream Center**, will be a powerful new resource dedicated to ensuring every student graduates not only with a diploma but with a clear, personalized plan for success. It will lead their future whether to college, military, a career, or becoming a business creator. The Dream Center connects students with the people, opportunities, and tools they need to pursue a life of purpose and prosperity.

At Chamberlain, students won't just graduate with a résumé — they'll graduate with **real-world experience, revenue, and a roadmap for the future**, whether that be through college, military, or directly to the workforce.

A Phased Rollout, Built for Student Success

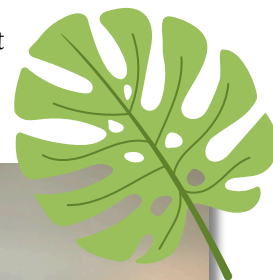

Construction of the school's new **state-of-the-art medical and construction labs** has begun, with build outs carefully designed to simulate real industry environments.

This fall, **Magnet Interest Meetings** will be held for prospective families, and the **Choice/Magnet application process** will officially open. When doors open in **Fall 2026**, Chamberlain Technical High School of Innovation and Medicine will be limited to 150–200 ninth graders. The application process is competitive and will incorporate a Magnet Index Score based on Core Course Performance in 7th and 8th grade, along with Standardized test scores.

A Legacy Reimagined

With its bold new direction, Chamberlain is changing the future of education in Hillsborough County. From medicine to masonry, from radiology to revenue generation, this new model ensures that students leave prepared not only for a job — but for a career, a business, and a meaningful life.

For more information about the upcoming magnet programs attend one of the interest sessions scheduled this fall. A new website will also be launching by August 2025.
