We didn't have a CCA Meeting in July, per our usual schedule. What we did have was an amazing 4th of July holiday weekend celebration. Hope you were able to join us, but if you weren't — or just want to see it again — check out all the photos throughout this issue of *The Caroler*.

God Bless America and all of our Original Carrollwood Board

"The Sincells wish to thank each of you for the absolutely most wonderful celebration of not only the 4th of July but of the Carrollwood Community we have been blessed to live in for 50 years." ~Marianne and Chuck

CRD News

By Mark Snellgrove, CRD President

It was a great pleasure to have the Command Staff from the Sheriff's District 3 Office attend the July meeting. As resident Dr. Anna Brown so eloquently stated at the meeting: "We would like to say thank you to HCSO District 3. When in need, our experience is that the response time, professionalism, and genuine concern for individuals and for our community is always excellent. We thank them for their service." Major Craig Timko introduced his senior staff and fielded questions both from Board members and residents at the meeting. Major Timko has been personally involved in recent activity being investigated at White Sands Beach.

Also, if you have not already done so, drive by Scotty Cooper Park. The new fencing was being installed as I was preparing this article on July 13th.

In closing, congrats to Jerrod Mills & Josh Shaffer on the CCA Board for a great July 4th weekend.

A great big thanks to the Sheriff's office District 3 Command staff for attending the July CRD meeting.

Pictured from left are: Major Craig Timko, OC resident Dr. Rick Dillon, Deputy Melvin Jones-(standing), Captain Preston Hollis, Lt. Leonette Garfield-(front right), retired Sheriff's Major & OC resident Ray Lawton (seated behind Lt. Garfield). Sgt Matthew Carter is not pictured, but was in attendance.

Follow the parade throughout the pages of this issue of *The Caroler*.

Carrollwood Elementary is looking forward to an exciting new school year! Our theme this year is "Growing With Wonder" as students focus on building relationships with each other and welcoming our families back to an exciting and "normal" school year. This summer, the school was outfitted with a new AC system so our staff and students can enjoy a cool start to August. Our calendar is full of exciting events for our families and community members. The school year begins with welcoming students back on August 10th.

Business sponsorships are always welcome and there is a need for landscaping expertise to help beautify the school. Please contact carrollwoodpta@gmail.com for more information regarding business sponsorships or volunteer opportunities!

OC REAL ESTATE

REAL ESTATE 101: NEW IN THE HOOD

By M. Wayne Wilson, Realtor and Former Original
Carrollwood Resident 42 years

Now, I'm just an ordinary old Florida Boy; been here since I was 11 years old. Like many of you out there, I have often dreamed of or thought about moving someplace else. You know, just one of those fleeting moments. But the first thing that comes to mind when you are thinking about a change is 'how do I get new friends.'

Back in the day when there were kids running around the house and in school it wasn't real hard. You simply got involved in the school activities (PTA, fundraisers, sports, etc.) and you made your long-term friends. I can tell you now that probably 75% of my closest friends were a result of our kids' friends in school.

OC Listings

as of *The Caroler* deadline:

Compliments of Wayne Wilson, Realtor®

A=Active; P=Pending; S=Sold in the last 30 days

Status	Address	Htd Sq Ft	Price
A	3310 Lacewood Rd	1882	\$429,000
A	10902 Juniperus Pl	1980	\$459,000
A	3001 Samara Dr	4,121	\$1,249,000
P	10706 Lake Carroll Way	1872	\$417,000
P	10524 Orange Grove Dr	1668	\$395,000
S	10908 Carrollwood Dr	1548	\$430,000
S	11715 Pheonix Cir	3072	\$760,000

In OC, there are so many ways to meet new people through the many events constantly happening like the fireworks on July 2nd. If you were there you would have seen hundreds of adults and kids and possibly had one of your friends introduce you to someone new in the “hood.” Take advantage of these opportunities. That \$600/year that you give to the CRD/CCA is possibly the best tax you’ll ever pay and it is certainly the best managed tax I know.

I saw an article recently suggesting that waiting for the long-time neighbors to bring a welcome pie or cake over and introducing themselves is so 50s-ish. Today’s young generation new homeowner should be proactive and just make some cookies and take them

to the long-time neighbors. Also, newbies should consider having a cookout in their backyard and inviting the old neighbors over.

Actually, I like both ideas. But I can tell you that taking a homemade rum cake to your new neighbor creates a lifelong relationship that never dies. If you haven’t done it, try it. My next-door neighbors from OC still to this day, after about 30+ years, will text me if I haven’t stopped by to see them.

I’m still old fashioned enough to believe that you long-time neighbors should welcome the newbies in the neighborhood rather than waiting for them to be proactive. Just sayin’.
