## HAPPY HALLOWEEN

by Mark Georgiades

Join us for this Original Carrollwood annual event. We encourage everyone to dress in their funniest, scariest, and most creative costumes for our annual contest and parade. Spectators are always welcome along the parade route to support, ooohhh! and aaahhh! the parade goes. The parade route starts at Lipsey Road and continues to Scotty Cooper Park via Carrollwood Drive.

The judges table will be set up at the SW end of Peacock Lane at Carrollwood Dr. The judging begins at 5 p.m. SHARP! That way the judges can properly see all of your hard work. Starting PROMPTLY AT 5 p.m., come by the judges table to be judged and then relax, get in place for the parade. The parade will start promptly at 5:30 p.m.

Refreshments and snacks will be served at the park immediately following the parade. We will promptly begin giving the well-deserved accolades and awards to the winners.

Can't wait to see how spooky and creative all of our Carrollwood families can be! And always remember – watch out for our trick-or-treaters later that evening!

## **Monarch on a Milkweed**

*by Cathy Clark, OC Resident*

One of the delights of living in Original Carrollwood is the lush, mature landscapes, flowers and a variety of butterflies. The monarch butterfly is a favorite, and will flourish with a little preparation. These butterflies require the milkweed plant, grown without the application of pesticides, as a food source.

## 11703 Lipsey Road Frank and Terri Arcuri

Frank and Terri  
Arcuri

We purchased our home in 2009. We both grew up in Lutz and went to Chamberlain High School. Growing up, a lot of our friends lived in Original Carrollwood and we always loved the area, especially enjoying White Sands Beach during the summer. We've been married for almost 37 years and have two beautiful daughters, as well as two adorable granddaughters. We have greatly enjoyed our home in OC and appreciate the awesome neighbors we've gotten to know over the years.

We spent a lot of time on the landscaping over the last few years, including re-sodding and planting easy to maintain foliage. Although we both work full time and it would be easier to get a yard service, I love working in the yard and take a lot of pride in keeping everything looking nice.

Thank you so much for selecting our yard for recognition in the Caroler.

# THREE O.C. RESIDENTS ON THE BOARD OF TAMPA CARROLLWOOD ROTARY CLUB

The Tampa Carrollwood Rotary Club was chartered on June 30, 1972. Each year the club hosts a 3-day Christmas Camp for children with cancer. The children are kept busy with activities from morning until late at night. The Rough Riders show up and hand out Teddy Bears and beads to everyone. The weekend ends with Santa Clause bearing gifts for all. The children enjoy it immensely.

This year the Tampa Carrollwood Club's Board of Directors includes three Original Carrollwood Residents. Their one-year term began on July 1st 2018. We extend a warm Congratulations and wish them a very successful year.

- Karen Borden, Banker, was elected Rotary President 2018-2019
- Doug Winton, a retired Bank President – elected as "President Elect for 2019-2020"
- Fred Thompson, Mortgage Lender, elected as Treasurer

Doug Winton, Karen Borden, and Fred Thompson

Joshua McMorrow-Hernandez – who spoke at our Rotary about the history of Carrollwood. Joshua is the author of the book: Images of America – Tampa's Carrollwood.

Most people associate Rotary with Polio Eradication. Currently, Rotary International is close to eliminating polio worldwide with a 99.9 percent reduction in polio cases.

One of Tampa Carrollwood Rotary's members is Dr. Nick Hall a Professor at USF's College of Nursing. On June 5, 2018, Dr. Hall pedaled his bicycle a total of 1,725 miles starting from Temple Terrace and completing the solo, unsupported bike ride, 20 days later in Toronto Canada where the Rotary International Convention was being held. He did this to bring awareness to the dreaded disease and with a 2:1 match from the Bill and Melinda Gates Foundation raised nearly \$45,000 towards the Rotary International End Polio campaign.

Dr. Nick Hall

Rotary members are business, professional and community leaders of all ages from young professionals to retirees who provide humanitarian service and take action throughout the world.

If you believe in Rotary's motto of "Service above Self" – then join us for networking and helping those less fortunate throughout our community and world. Rotarians work together to address today's challenges including illiteracy, disease, hunger, poverty, environmental concerns and promoting peace. It's also a way for those starting out in business to obtain valuable leadership and mentoring opportunities.

We offer two different ways to participate, either through our weekly luncheon club that meets on Fridays at noon at the Carrollwood Country Club or through our afterhours club that meets at 6:30 the 1st and 3rd Wednesday of the month for happy hour and networking at designated Carrollwood locations. For more information, view our Facebook page Tampa Carrollwood Rotary After Hours Club or reach out to your OC neighbor Fred Thompson 813-397-4960.

# HOME RENOVATION AND YOUR MARKET VALUE

by KT Tershowski, REALTOR®

Part of being a homeowner comes the fun and satisfaction of tackling remodeling projects. Once settled in a new home, it's common to make a list of all the projects you want to take on in the future.

The type of projects a homeowner should consider depends on whether you plan to enjoy the finished product yourself or make it more appealing to Buyers. REALTORS ranked the addition of a bathroom, complete kitchen renovation, new master suite, new fiber-cement siding and new front door brought the most personal joy as a homeowner.

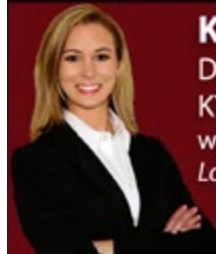

The projects with the highest cost to the homeowner that resulted in the best return for investment were hardwood floor refinishing, insulation upgrade, new wood flooring, new roofing and new garage doors. A new pool's high cost in the thousands, plus the annual cost for maintenance, can result in more personal joy as a homeowner than a good return on your investment. If a pool is a necessity for you, it is always best to purchase a home that already has a pool.

# Help Original Carrollwood Shine This Holiday Season

by Joe Costa

Every year Original Carrollwood basks in the warm glow of the holidays with luminaries that line our yards and common areas on Christmas Eve inspiring good will and spreading the joy of the season. Please join us in this long-standing, neighborhood tradition by buying your luminary kit at the Original Carrollwood Rec Center. Luminary kits are \$10 and include: 20 candles, 20 votive cups and 20 paper bags. (If you have a corner or double lot we suggest buying two kits).

If you're going to be out of town, out for the evening or unable to set up your luminaries, no problem! For a small donation, and with the help of Boy Scout Troop 217, the scouts will set up your luminaries on Christmas Eve morning.

In past years, the Boy Scouts have also cleaned up luminaries on Christmas morning at 5:00 a.m. for residents who paid for that service. However, that clean up service will unfortunately not be provided this year. The Boy Scouts will clean up the spent luminaries in our common areas and return the sand to White Sands Beach.

You can pick up your luminary kits and hire the Boy Scouts to deliver and set up your luminaries at the Rec Center, weekdays from 3:30 p.m. to 6:30 p.m., beginning the first week of December and on the following dates:

## Luminary Kit Price List

\$10.00 — 1 – Kit (20 candles, 20 bags, 20 votive cups)

\$30.00 — 1 - Kit with Christmas Eve set up and Christmas morning clean up by the Boy Scouts

\$55.00 — 2-Kits with Christmas Eve set up and Christmas morning clean up by the Boy Scouts

Make all checks payable to: **Carrollwood Civic Association**

Saturday, November 24th 9:00 a.m. - 12:00 p.m.

Saturday, December 1st 9:00 a.m. - 12:00 p.m.

Saturday, December 8th 9:00 a.m. - 12:00 p.m.

Saturday, December 15th 9:00 a.m. - 12:00 p.m.

**THE LAST DAY TO PLACE AN ORDER FOR THE BOY SCOUTS TO DELIVER AND SET UP YOUR LUMINARIES WILL BE FRIDAY DECEMBER 21ST.**

## Community Service Is Part Of Their Mission

The Boy Scouts of Troop 217 happily support the luminary tradition of Original Carrollwood. Last year the Scouts donated nearly 600 hours of time folding more than 16,000 luminary bags, setting up and cleaning up 4,000 luminaries in the common areas, and ensuring that the luminary kits were assembled, delivered and cleaned up as necessary. After Christmas, the Scouts took the used luminaries, sifted the sand to clean them of debris, and returned the cleaned sand to White Sands Beach. As a thanks for their hard work, the Carrollwood Civic Association made a generous donation to Troop 217 to help pay for summer camp and countless good deeds.

## OC REAL ESTATE

### REAL ESTATE – 101

#### UPSIDE DOWN?

#### Or RIGHTSIDE UP?

by Wayne Wilson, Realtor and  
OC Resident  
43 Years

In 2008, I am sure that some of you who had purchased your home from 2005-2008 found yourself owing more money on your house than what the house was worth in the market. Many during that time either defaulted into bankruptcy or did a short sale to get out of the home. In fact, some ended up buying a second home and then did a short sale on the upside down home in order to get out of it and still have a home.

Confusing? A little. Typically, how the short sale works is the owner stops making payments and the lending institution files for Foreclosure. The courts often tell the mortgage company and the owner to have a meeting of the minds and see if something else can be worked out. This often ends up in a short sale. The seller then obtains an estimated value of their home from either a Realtor or an Appraiser and presents that to the mortgage company. The mortgage company then allows them to list the property. Once an offer

comes in, the seller can agree to it and then forwards it to the mortgage company for acceptance.

These short sales in Original Carrollwood were selling for about \$110/sq ft. WOW! If those people would have kept their home, they could now be yielding upwards of \$180/sq ft in just nine years time. In the meantime, they would have to wait four years from the completion date of the sale before they would be eligible for a Conventional Home Loan. If the transaction ended up in a foreclosure, it would take 7 years.

There are many factors that come into play before the decision is made to Short Sale. Certainly personal income changes, employment, relocation, etc. But it's a given that real estate always beats out the Consumer Price Index (CPI) so hanging on to the upside down home for a few years can be the best decision. For most people, it's the single biggest financial investment they make and you just can't afford to make a mistake.

## The Pizza Problem

Amy was eating a pizza, and the pizza is cut into 8 pieces. Because this is mathematics, and mathematics is exact, we will say that eating a  $\frac{1}{8}$  of a pizza takes exactly 2 minutes.

Now, Amy starts eating, but 2 minutes later, Barney comes, and he wants pizza too. So they both eat some more pizza, until, 2 minutes later, Chris arrives and he wants some pizza too! So they all eat pizza, until, 2 minutes later, Dean arrives, and he wants pizza as well! Now, there is not enough pizza for all of them to share with the way it is cut, so they'll have to cut the pizza into 4 pieces. Now, cutting 1 straight line (No matter how long or short) takes 1 minute, and (because there are 4 people) it takes them 4 times less of the amount of time to cut one straight line. What is the shortest amount of time they can achieve this? (Cutting the pizza, not eating the pizza)

Email your answer to the Editor, Roxanne Clapp, at [Caroler@roxc.graphics](mailto:Caroler@roxc.graphics) before October 10. All that reply will have their name, along with the solution, posted in the next issue of *The Caroler*!
