Interested in advertising? Color or black and white ads help to underwrite printing and mailing costs of this bi-annual neighbor-to-neighbor publication. Original Carrollwood residents have first priority on advertising space. Both business ads and personal ads of congratulations are welcome (like scouts, sports teams, schools, new baby, wedding, and other commemorations). Check this box if you want more advertising information.

Original Carrollwood has a Crime Watch E-Mail Alert System in place. If something is going on in the neighborhood, an e-mail can be sent to you. Check this box if want to be included.
